COMMUNICATIVE SKILL PRACTICES

In an effort to foster communication skills and to promote a culture of learning, our school has implemented several initiatives. These initiatives aim to improve students' proficiency in English, encourage regular reading habits, and build confidence in public speaking.

1. DAILY SPEECH PRACTICE

One of the key components of this program is the daily two-minute speech activity. Each day, before the start of regular teaching activities, the class teacher conducts a session where a student is selected to deliver a two-minute speech on any topic of their choice. This practice is designed to:

- Enhance public speaking skills
- Boost self-confidence
- Encourage research and preparation
- Foster critical thinking and creativity.

2. ENGLISH LANGUAGE USAGE

To further support the development of communication skills, it is mandatory for students to speak in English while on the school campus. This policy is intended to:

- Provide continuous practice in the use of English
- Improve fluency and pronunciation
- Create an immersive language environment.

3. LIBRARY UTILIZATION

To cultivate a love for reading and to ensure that students have access to a wide range of knowledge, it is compulsory for students to issue books from the school library regularly. This initiative aims to:

- Encourage regular reading habits
- Expose students to diverse genres and topics
- Enhance vocabulary and comprehension skills.
